Foreword

In this 1951 *Trojan* we are striving to bring you a book that will picture some of the happy experiences you have had all through the year at Little Rock Junior College.

Perhaps this book will cause you to remember once more the seasons of the year at Jaycee—fall, with the new and familiar faces calling to each other and the excitement of a new school; winter, with the rosy-cheeked students hurrying from classes to escape the brisk wind; and finally, spring, everywhere, with the hint of parties and that thrilling, yet regretful factor in everyone's college life—graduation.

We hope that, in years to come, you will look at this *Trojan* and recall happily your entire year at Jaycee.

SUE THOMPSON, *Editor.*

Dedication

MISS INEZ MARTIN

To Miss Inez Martin, chairman of the Junior College Social Committee, this 1951 *Trojan* is dedicated.

Miss Martin has for many years manifested an interest in social activities and has shown willingness to cooperate with all groups at all times. She has also proved to be an ardent supporter of football, by missing only two games in four years.

Because of her interest in developing well-rounded personalities, she has done much to give the students a full calendar of events. The students appreciate Miss Martin's efforts, and the staff of the *Trojan* is happy to dedicate this yearbook to her.

Fall, 1950—Jaycee freshmen, and on that first day we certainly felt like freshmen. However, it did not take us very long to get into the swing of campus activities.

First there were school elections and politics . . . football games . . . dances . . . club activities . . . Stunt Night . . . beauty contest . . . Donaghey Day . . . . May Day . . . and all the other social activities sponsored by the alma mater which we had chosen.

We all made sure our class was not to be ignored in connection with campus honors, either . . . two beauties, three Rose Festival finalists, one-half of the football team, three-fourths of the basketball players . . . all of these things are to be remembered about our class.

Yes, we will always remember with pride and fond memories our achievements and good times as freshmen at our own Jaycee.

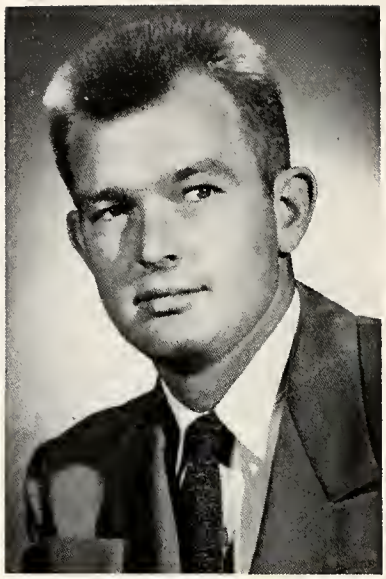
OLIVER HOLEMAN
Business Manager



KENNETH GRAY
Backfield Coach

In the past four years Little Rock Junior College has been privileged to have as its business manager the very capable and likeable Oliver Holeman. Almost every day Mr. Holeman is at hard work in Coach Howard Pearce's office, taking care of yesterday's game, counting the number of tickets sold and the number of tickets that are to be sold at the next game.

Supervising the business end of the Athletic Department is Mr. Holeman's job, and just one look at the finished product is enough to see that he is not only doing his share, but twice that, in order to keep the Little Rock Junior College financial record clear.

After lettering at the University of Arkansas in his senior year, Kenneth Gray has ended his first year as head backfield coach by building one of the finest quarterbacks in the AIC, Bobby Spann, into a college coach's dream.

Coach Gray lettered three years at quarterback at Arkansas Tech and then he transferred to the University of Arkansas, where he learned most of his coaching skills that he now applies to the Jaycee boys. In this, his first year at Junior College, Coach Gray has impressed not only the Little Rock fans but out-of-state observers with his well-trained and smartly-executed backfield that ran roughshod over most of their opponents.

With the fine work that Coach Gray has been doing and will continue to do, Little Rock Junior College can well look next year toward having another fine backfield and another great team.

Taking over in his first year as head football coach at Jaycee, Howard Pearce was given little, if any, chance to bring his 1950 Trojans up from their pre-season rating of a fifth- or sixth-place ball club to the rating of a contender in the AIC race. Proving the experts wrong and showing what hard work and determination will accomplish, the Trojans were leading the AIC race until the very last game of the season, when they lost a heart-breaking 14-0 game to the hard-running "Wonder Boys" from Arkansas Tech. Still they finished a strong second in the league and showed well the credit that Head Coach Pearce along with Backfield Coach Kenneth Gray received for their fine work.

Finishing the season with an over-all record of seven wins, three losses and one tie, the Trojans of Junior College proved themselves the team to watch next year in the AIC.

The Trojans in Action

Cheerleaders

First row: Peggy Lafferty, Charlotte Simmen, and Eleanor Bogart.

Second row: Betty Stephens, Betty Frazier, Margie Garrison, Sue Brown, and Carolyn Richards.

Come rain or shine, the Jaycee Cheerleaders captained by Margie Garrison, were at every athletic event in which Little Rock Junior College participated. Providing the spark and spirit necessary to spur our Trojans on to victory, these eight beautiful girls were the guiding light of the fight in back of team.

Composed of five second-year girls and three freshmen, the 1950-51 cheerleaders were an inspiration to the students and kept them yelling and shouting in every sport season of the year.

Besides Margie, there were Sue Brown, Peggy Lafferty, Betty Frazier, and Eleanor Bogart, the five sophomores who led the Trojan yells for their last year in 1951.

The three freshmen who will be the leaders next year are Carolyn Richards, Betty Stephens, and Charlotte Simmen.

All in all, this year's cheerleaders were of great moral help not only to the school, but to the teams which so proudly held up the name and tradition of Little Rock Junior College.

Basketball

In his first year at Little Rock Junior College Jim Bearden established his mark not only as a fine coach but also as one of the most popular and well-liked men on the Jaycee campus.

"Genial Jim", as he is called by most of his players who think the world of him, took over in almost the same light as did Coach Pearce. Faced with a team that had won only one game last year, he built his team around boys who would be back next year, and as a result wound up a strong fourth in the AIC, when the highest pre-season rating given the Trojans was a weak sixth. Through hard work Coach Bearden built up the Jaycee five until they were one of the most feared quintets in the league.

Swimming

Front row: Bogart, J. Rauch, Lafferty, Keith, Goldberg, Mack.

Top row: Coulter, Newstrom, Sipes, Harmon, Lane, Dudek, Taylor, Hutchins, Holder

Under the guidance of Coaches Murray Coulter and Sue Keith, the Junior College swim team was really on the ball and kept working to defend its AIC crown of 1950. Exhibition meets were lined up with Henderson, Arkansas State Teachers, Arkansas State, and the Fort Smith Aquatic Club. In addition, the Trojans met their AIC rivals in regular competition.

The team was comprised of eight freshmen and seven sophomores. Practices were held at the Little Rock Boys' Club.

Baseball

Front row: Howard, ss; Howard, 2b; O'Neal, p; Pasierb, 3b; Roberts, p.

Second row: Rowland, of; Lamb, of; Duff, 2b; Shelton, 1b; Cozart, p.

Secretary	ELEANOR BOGART
Council Representatives	MURRAY COULTER SUE HARRIS

As a group of freshmen we started out together in the fall of 1949. We quickly made a place for ourselves by taking part in scholastic, athletic and social activities of Little Rock Junior College.

We had our share of members on the Student Council, in Phi Theta Kappa, on the athletic teams, on student publications, and as beauties. Our main social activities were our freshman get-together and sophomore prom, of which we were in charge.

Now we are sophomores and we are still contributing much to campus life. We placed six of our class on the Student Council, and twenty-one of our group were members of Phi Theta Kappa. Eighteen members of the football team were sophomores and there were many other sophomores who took part in basketball, baseball, golf, tennis, and swimming. Again we had members of our class who worked on the "Trojan" and the "Chatter", and this year we had two girls in our class to be chosen beauties. Our leaders this year were Mickey O'Quinn, Jimmy Spradley, Eleanor Bogart, Sue Harris, and Murray Coulter.

There are ninety of us who will graduate from Jaycee this year and, although we are sad at the thought of leaving, we are happy about and proud of our two years at Little Rock Junior College.

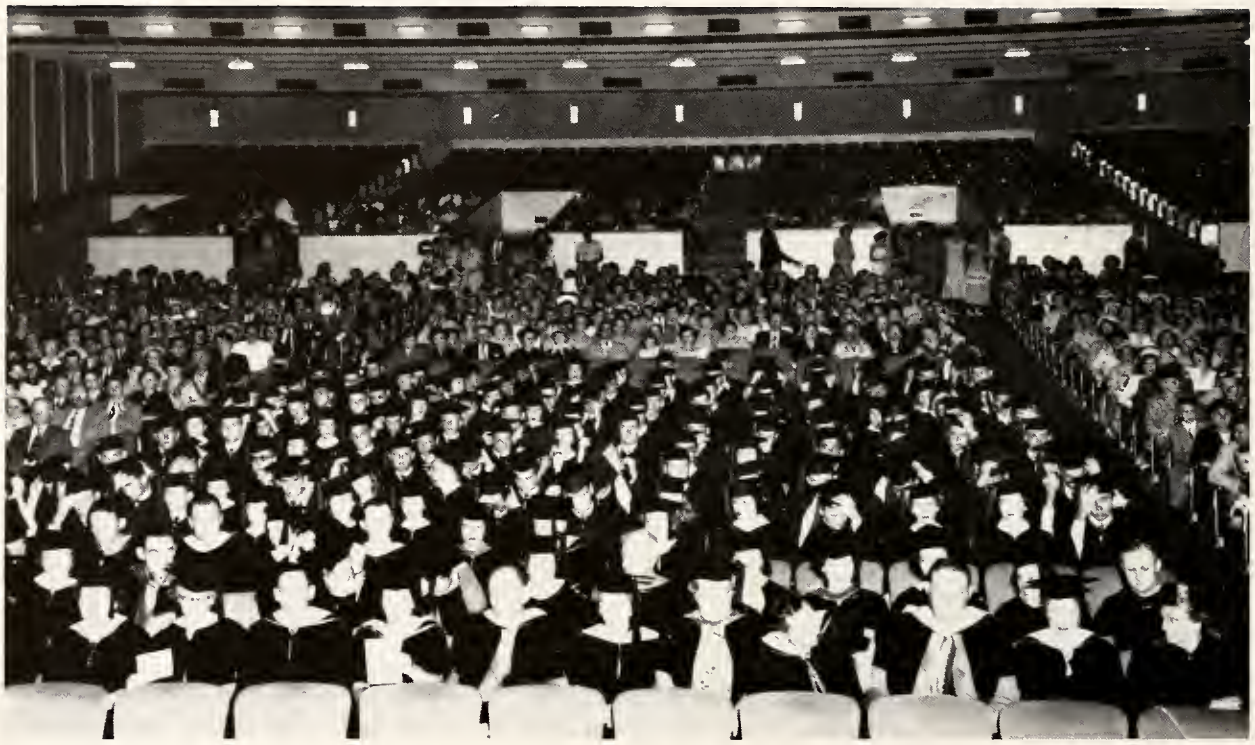
Graduation 1950



Graduation, 1950, was a memorable occasion not only for those who were in the class but for all interested in the progress and development of Little Rock Junior College. At this time Dr. Granville D. Davis, professor of history, was elevated to the presidency of the college. He delivered the commencement address and his inaugural address, accepting the challenge to build Little Rock Junior College into the foremost junior college in the southwest central part of the United States and one of the leading ones in the country.

Dr. Davis thus became the second president of the Little Rock Junior College, succeeding the late John A. Larson. The college is especially proud of him as president because he is a member of the first graduating class of the institution, that of 1928.

The scene depicted here was repeated on May 23, 1951, at the Robinson Auditorium, when ninety students were graduated and Dr. William Darby, internationally famous nutritionist and head of the bio-chemistry department at Vanderbilt University, delivered the commencement address. He, too, is an alumnus of Little Rock Junior College, class of '33.

Tomorrow Is Forever

. . . another graduation day and youth begins the pilgrimage anew . . . armed with faith in the American dream that life will bring to each what he wills to have.

With them go the dreams of every Mother and Dad who has worked earnestly and long that these young people might succeed . . . and the hope that if they falter, they will try again . . . and in so trying will find a strength and happiness great as life can give.

It is a time when many pictures should and will be taken. but there should be one portrait finer than all the rest to capture and hold this moment . . . . forever. It is the kind of graduation portrait for which we strive.

BULLS EYE

. . . A DIRECT HIT

to a successful annual is determined by layout and design — by the use of story telling photographs presented to catch the eye and attention of every reader — by quality engravings produced by photo-engravers, masters of their craft.
